

## 29th Annual Seaplane Safety Seminar

Join us for the 29th Annual Alaskan Aviation Safety Foundation's Seaplane Seminar for a refresher on maintenance after a long winter, new technology to avoid stalls, and more "What if ..." simulator scenarios. Come and learn what you can do to take the search out of search and rescue, and get your summer flying season off to a safe start!

**Directions:** OAS Hanger at Lake Hood, just past CAP and the Aviation Museum.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
